

Flexible Spending Account/ Health Reimbursement Arrangement Eligible Medical Expenses

Below is a list of services that are eligible for reimbursement under a Flexible Spending Account (FSA) or Health Reimbursement Arrangement (HRA). The Internal Revenue Service defines medical care expenses as amounts paid for the diagnosis, cure, or treatment of a disease, and for treatments affecting any part or function of the body. The expenses must be primarily to alleviate a physical or mental defect or illness.

The products and services listed below are examples of medical expenses eligible for payment under an FSA or HRA, to the extent that such services are not covered by a medical or dental plan. This list is not all-inclusive; additional expenses may qualify. Please refer to *IRS Publication 502 Medical and Dental Expenses* for a complete description of eligible medical and dental expenses.
